Award Winning Back Cove 32

The latest model from Back Cove Yachts, the Back Cove 32, will be on display this January at Seattle Boat Show.

In 2016, the Back Cove 32 won acclaim as an “instant classic,” and was awarded Best New Powerboat Under 35’ in the Newport for New Products competition. In August of 2017, she debuted in Australia to glowing reviews.

The Back Cove 32 is an amalgam of cutting-edge design and customer-preferred features. She offers the same concepts that built the success of the range: Extraordinary fuel efficiency from her single diesel engine, straightforward systems, and classic good looks. Pair this with her expert construction and nautically sensible design features, and the Back Cove 32 is the gem of any harbor she enters.

Her single-level deck from transom to companionway bring the social spaces of the cockpit and pilothouse into one, offering a beautiful and seamless transition between indoors and out. A galley-up design opposite a versatile settee, and open sightlines all the way around the boat, make the upper level of the Back Cove 32 ideal for entertaining or relaxing. Below, the cruising couple can enjoy a secluded oasis all their own. Featuring a spacious island berth and split head and shower units, her practical and elegant details offer unprecedented comfort when spending time onboard.

The Back Cove 32 is equipped with a Volvo 370 mHp engine as standard, which allows her to do 22kts at cruise and 26kts at wide-open throttle. With optional engine packages offering increased horsepower, the Back Cove 32 can reach a comfortable 25kts cruise and 27kts top speed.

Experience the Back Cove 32 at the 2018 Seattle Boat Show, Booth: West 41, Bell Harbor A 14.
