Captain's Announces New Products for 2018 Seattle Boat Show ***Make the most of boating season with exciting new gear and time-tested favorites from the Northwest's most experienced boating supplier***

SEATTLE – Get ready for boating season with help from Captain's Supplies (Booth #2240), the Northwest's go-to source for planning voyages long and short. Captain's selection of cruising guides, nautical charts, recreational maps, field guides, navigation instruments, books, and sport optics is unrivaled.

Come by Captain's booth to stock up on your seasonal essentials like tide and current guides, browse our huge selection of nautical books for children and adults, and explore exciting new products for your boat, home, and northwest lifestyle.

Exciting New Products for 2018 Seattle Boat Show

Captain's is pleased to feature several new products this year, including:

Special Edition Cargo Hauler Duffel from Eagle Creek: Our favorite travel bag is available for a limited time in a sailcloth-inspired model. Using the same technology fabrics in high performance racing sails, this duffel is extremely lightweight, water-resistant, and incredibly durable.

CrewWatcher Personal Safety Beacons from Weems & Plath: A revolutionary, app-based crew overboard alarm system that is the fastest way to rescue a person who is overboard. The system works like a virtual lifeline and is made up of two components: a smartphone application and a small beacon that can be comfortably worn by each crew.

Inflatable Kayaks by Advanced Elements: An innovative hybrid of a folding frame and an inflatable kayak that packs down small without sacrificing performance. Ideal for dedicated cruisers and weekend paddlers alike.

About Captain's

Captain's began as the Max Kuner Company in 1897 to supply navigation equipment and charts on Seattle's booming waterfront. Over a century later and now located in Ballard, the company remains independent and locally-owned. Workboats up and down the Pacific Coast still outfit at Captain's every year, joined by recreational boaters, travelers, hikers, and everyone who wants to explore the Northwest.
