Lakeside Boat Service in Renton, WA – New Custom Fiberglass Department

Lakeside Boat Service, Inc. is a quickly growing marine service station and indoor boat storage facility, proudly taking care of Lake Washington and Seattle area boaters as well as Lake Sammamish and the surrounding East-side.

Lakeside Boat's newly offered fiberglass, gelcoat, and paint services bring a much-needed new option to the South-end and East-side Seattle area boating community. Unbeatable color matching, guaranteed structural repairs, free estimates and creative advice for customizations, competitive pricing, and year-round mobile service makes Lakeside's custom marine shop an easy choice.

The LSB crew can be found at the Seattle Boat Show, Indoors + Afloat, in the East Hall – booth #401, to answer questions and schedule services.

Lakeside services include:

- Engine Maintenance
- Re-powers
- Indoor and Outdoor Storage
- Fiberglass Repairs
- Customizations and Fabrication
- Gelcoat and Paint
- Detailing
- Full Restoration
- Mobile Services
- Vessel Retrieval and Delivery
- Haul outs
- Service Trailer Rental

"We are determined to change the image of the marine service industry with honesty, integrity, and transparency. It's our goal to build lasting relationships with every customer and do whatever it takes to keep boating accessible and enjoyable for all of us and our future generations."

-Joshua Langham Knapp (Chief Operating Officer – Lakeside Boat)
